

SCHOOL RULES:

RESPECT YOURSELF, OTHERS AND THE ENVIRONMENT

READING BOOKS (From October)

Children will be given reading books for them to read to you every **FRIDAY**. Reading books need to be returned to school on the following **WEDNESDAY** so that they can be changed. Please listen to your child read their book as many times as possible in a week and write a comment in their reading record book so we know that they have read at home with you. Children will start with books with no words, please encourage your child to tell the story using the pictures.

HOME LEARNING (From October)

We will send Phonic phoneme frames for you to use with your child at home, to help them with their phonics, reading and writing. We will show you how to use these and your children will use them in their phonics lessons too. Children will also have access to Numbots and Letter join online. We sometimes send home mini projects such as: A diary for the holidays, which we then share in class. In the Summer term, children in Reception can complete the Summer Reading Challenge.

PE

Reception will have PE on a **THURSDAY**.

PE will start the week beginning: 22.09.2022. PE lessons will mostly be outdoors so children need a white t-shirt, plain navy or black shorts/joggers, trainers/pumps.

EYFS CURRICULUM

We observe the children every day to see what they know, what they can do, what they are interested in and how they learn best. This information is then used to plan their next steps and exciting and challenging activities. Your child will access a variety of literacy, maths, creative, physical and investigative activities based on their own interests.

WATER BOTTLES AND WELLIES

Please ensure your child brings a water bottle to school every day. This should have water in **NOT juice**. Also please ensure your child has a pair of wellies in school as we still go out when it is wet and rainy and they will wear them in the sandpit and water area.

FINALLY...

We are looking forward to getting to know your child. Should you have any queries then please wait until we have released all the children to their parents safely, and then the Class teacher will be able to speak to you.
