

NEWSLETTER APRIL 2016

Welcome back to the summer term at New Hall. I hope you were able to spend some family time together during the Easter holidays.

This term is an important one for pupils, especially Year 6, Year 2 and Year 1 who are being asked to complete statutory assessments from the government. As parents, please continue to provide support and guidance, as we are aware that pupils can feel slightly anxious at this time. Helping with homework, plenty of sleep and a healthy diet can all assist with reducing any feelings of doubt. Thank you for your support with this matter.

As a school we are committed to enabling your children to be the best they can be, and will continue to support them in every way we can.
