

NEWSLETTER MARCH 2021

I can hardly believe we are saying 'Welcome back' as we end the spring term! We are all just getting used to seeing the children back - enjoying seeing their teachers and friends, and back to their learning.

Let's look forward to the summer term and stay hopeful that we are finally on the roadmap out of this terrible pandemic.

As I type this there has been no further guidelines released by the Department for Education (DfE), so as such all matters relating to life in school will remain the same. Of course, should that change, I will inform you as soon as possible.

I would like to say a huge thank you to you as parents for continuing to stick to the rules that are in place, particularly the wearing of face masks when on site. I appreciate it is not an ideal situation for any of us, but the vast majority of you have been so supportive and understanding.

We are hoping that we don't hear about any positive cases in the first few days after we break up, but should that happen, your child may be required to self isolate. We will update you accordingly.

Have a great Easter everyone, the summer term is looking promising for the easing of some lockdown measures - fingers crossed.

PE uniform

A reminder that on the days when children come into school in the PE kits, they should be wearing PLAIN joggers and their school jumpers with their trainers. NO LOGOS, NO BRANDWEAR. PLEASE.

School Shoes

The last few weeks have appeared to be difficult for some parents to purchase appropriate school shoes, and we have been understanding of this. After Easter ALL pupils should be wearing the appropriate footwear or they will be given a pair of school pumps to wear in school.

See the 'Skip the Queue' on the back page from Clarks.

Appropriate and acceptable school shoes need to be : flat black, leather type school shoes

Here are some examples of acceptable school shoes:
