

Freedom of Information Act

Publication Scheme 2022

All public authorities, including schools, are required under the Freedom of Information Act to adopt a publication scheme that has been approved by the Information Commissioner.

There is currently one approved model publication scheme, which has been produced by the Information Commissioner's Office (ICO).

Schools must adopt the ICO's model scheme and make it publicly available.

The ICO's model publication scheme can be found here:

Our published guide to information

Schools should publish a guide to information alongside the publication scheme. The guide should specify:

- the documents available
- the format of the documents
- any charges made for the information
