

New Hall Primary School Improvement priorities 2023-2024

Area 1 Quality of education		Area 3 Personal Development	
<p>Issue 1: To break the curriculum down into smaller steps to identify precisely what is to be learned so that all teachers consistently choose the right activities for pupils and to ensure that feedback is implemented, and learning is moved on appropriately</p>	<p>Issue 2: To evaluate current writing initiatives; trial and evaluate new strategies</p>	<p>Issue 1: To re-introduce the full Philosophy for Schools initiative to ensure children are given the skills of debate and discussion</p>	<p>Issue 2: to create a sensory room to support the needs of pupils with sensory difficulties and enhance the curriculum through immersive experiences</p>
Area 4: Leadership and Management		Area 5: Early Years/SEND	
<p>Issue 1: To improve staff knowledge of pedagogy, there will be a CPD focus on the 'Transforming Teaching' programme in 2023-24</p>	<p>Issue 2: To further develop our monitoring processes to be part of a monitoring, evaluation and review cycle</p>	<p>Issue 1: To develop the outdoor area so that outdoor learning matches the quality of learning indoors.</p>	<p>Issue 2: To support SEND children in all areas of their learning. SEND children to be able to access all areas of learning and engage with resources and tasks enabling them to make small steps progress.</p>
