

English

Reading: Children will read a range of texts to consolidate their phonic knowledge and build their fluency. They will read daily, either as a class, group, pair or individually.

Writing: Children will develop their fluency with regular dictation. They will use Little Red Riding Hood as inspiration for their own warning tale.

Spelling: Children will consolidate alternative ways to spell words with long vowel sounds. They will also learn how root words change when suffixes are added. Begin to learn Y2 words.

Maths

Place Value: Children will understand the value of tens and ones in number up to 100. They will partition, order and compare these numbers. Children will be counting in 2s, 5s, 10s and 3s.

Addition and Subtraction: Children will learn addition and subtraction facts to 20 and related facts to 100.

Science

Materials: Children will identify and compare the suitability of materials for particular uses, eg for coats in a range of different weathers. They will find out how the shapes of solid objects made from some materials can be changed, eg twisted, stretched and squashed.

Our School Rule -

Respect yourself, others and the environment.

Year Two Curriculum

Overview Autumn 1

This half term we will be learning about...

PSHE

Being Me in My World: Children will understand their rights and responsibilities for being a member of their class and school.

Geography

Would you prefer to live in a hot or cold place?

Children will map out hot and cold places globally and compare the human and physical geography of these areas, such as the weather.

DT

Structures: Baby Bear's Chair

Children will investigate what makes a structure stable and apply this knowledge to create their own stable chair for Baby Bear.

PE

Invasion Games: Children will play a range of sports involving two teams and learn how to send and receive balls, defend and attack and play as a team.

RE

Living by Rules: Children will explore why we need rules, and who makes them. We will also learn about the Christian festival of Harvest.

Music

Singing and Performing: Children will learn, practise and perform a range of songs for an audience in our Harvest Class Assembly. They will also reflect on how improve performances.

Computing

Digital Literacy:

Children will explore how to stay safe online, protecting identity and personal data.

Finally

Our Harvest class assembly is Thursday 24th October so this half term we are developing our performance skills in speaking, singing and acting.
