

English

Reading: Children will read a fiction, non-fiction and poetry to consolidate their phonic knowledge and build their fluency. They will read daily, either as a class, group, pair or individually.

Writing: Children will develop their fluency with regular dictation. They will be writing to inform their reader by producing a survival guide. They will be focusing on using expanded noun phrases and contractions effectively.

Spelling: Children will consolidate alternative ways to spell words with digraphs and trigraphs. They will learn how to use the possessive apostrophe and how to spell using the suffixes -ful and -less.

Maths

Addition and Subtraction: Children will build up on last half term and continue to look at addition and subtraction with two 2-digit numbers.

Shape: Children will recognise 2-D and 3-D shapes looking at vertices, edges and symmetry.

Science

Materials: Children will use their knowledge about materials to develop their working scientifically skills of asking simple questions to investigate. They will then suggest answers to questions by observing, gathering and recording data.

Our School Rule -

Respect yourself, others and the environment.

Year Two Curriculum

Overview Autumn 2

This half term we will be learning about...

PSHE

Celebrating Difference: Children understand that is ok to be unique and celebrate their differences.

History

How was school different in the past?

Children will use a range of sources to learn about classrooms today and 100 years ago. They will make comparisons and sequence photographs chronologically.

Art and Design

Craft and Design: Map it Out

Children will be designing and creating abstract maps to depict a journey of their choice. Children will be using a range of media.

PE

Gymnastics: They will develop gymnastic skills of jumping, rolling and balancing. They will travel individually and combine movements to create a short sequence.

RE

Responding to suffering: Children will develop empathy and will explore the concept of treating others how they would like to be treated during times of conflict.

Music

Children will continue to develop their singing performance skills in our singing assemblies. We will also be listening and appraising a variety of music genres.

Computing

Children will be sequencing simple algorithms and programs and understand that programs need precise instructions to operate.

Finally

This half-term we will be supporting Children in Need and Anti-Bullying Week.

Y2's Story at 6 will take place on Tuesday 3rd December.
