

## English

Reading- Class texts: My name is book by John Agard and Curiosity by Markus Motom.

Writing- Children will develop their fluency with regular dictation. They will be writing to narrate and inform their reader by producing a non-fiction text. They will be focusing on using contractions, fronted adverbials and changing tenses in their writing.

Spelling/Phonics- ance, ancy, ent, ence, able, ible

## Our School Rule -

Respect yourself, others and the environment.

## PE- Gymnastics

To explore different methods of travelling.  
To perform progression of integrated movements.

## Year Five Curriculum

### Overview Autumn 2

This half term we will be learning about...

## RE-Being loyal and steadfast-

How can Christians show commitment to their faith? What are the boundaries of friendship?  
What do Christians hope for the future?

## Maths

Multiplication and division- multiples, prime numbers, square and cube numbers.

Fractions- Equivalent, adding, subtracting comparing fractions.

## PSHE

Celebrating difference- I can explain ways in which difference can be a source of conflict and a cause for celebration.

## Music

Begin to explore reasons for composers' tempo choices. To pick out details from a piece and recall these details from memory. Find similarities and differences between different historical composers and musicians.

## Geography- What is life like in the Alps?

Locate the Alps on a world map and identify and label the eight countries they spread through. Compare the human and physical geography of their local area and Innsbruck. Use a variety of data collection methods including completing a questionnaire, mapping their route and recording their findings in sketches or photographs.

## Computing

Digital Literacy- To understand the importance of using technology safely, respectfully and responsibly  
To identify a range of ways to report concerns about content and contact.

## Science

### Let's get moving

Identify the effects of forces that act between moving surfaces

Recognise that some mechanisms allow a smaller force to have a greater effect.

## Art- Sculpture: Interactive installation

To identify and compare features of art installations.

To investigate the effect of space and scale when creating 3D art.

French-Adapt a model text to create an original sentence of their own, including descriptive phrases. Write their own metaphors using a writing model.

Outdoor Learning-Space exploration
