

English

Reading: Children will read a fiction, non-fiction and poetry to consolidate their phonic knowledge and build their fluency and vocabulary. They will read daily, either as a class, group, pair or individually.

Writing: Children will develop their spelling and handwriting fluency with regular dictation. They will be writing to a story from a character's perspective. They will be focusing on using a statements, commands, questions and exclamations to interest the reader.

Spelling: Children will learn how to spell words with alternative spellings for j-g/ge/dge and s-ce/se, for example gem/lunge/bridge and dance/loose.

Maths

Multiplication and division: We will be looking at doubling and halving, odd numbers and then focusing on multiplying and dividing by 10 and 5.

Measuring - measuring, comparing and ordering in cm and m, ml and l, and g and kg. Children will use the four operations to solve measure problems.

Science

Mini Worlds-Biology: Children will be classifying things that are living, dead and those that have never been alive. Children will explore the habitats of some plants and animals. Children will be able to describe a simple food chain.

Our School Rule -

Respect yourself, others and the environment.

Year Two Curriculum

Overview Spring 2

This half term we will be learning about...

PSHE

Healthy Me: Children will learn how to manage a stressful situation, how to have a healthy balanced diet and how to safely use medicine.

History

How did we learn to fly?

Children will learn about the individuals who contributed to the history of flight and put important events in chronological order.

Art

Painting and mixed media: Life in colour

Using paint, children will develop their knowledge of colour mixing and explore texture and pattern to create a collaborative collage.

PE

Sending and Receiving: Children will develop their sending and receiving skills including throwing and catching, rolling, kicking, tracking and stopping a ball.

RE

Caring for others, animals and the environment: Children will consider how different religions care for the world.

Computing

Art of Animation: Children will learn design animations to represent oceans. Children will use JIT 5 Paint, add backgrounds and add images.

Computing: Digital Literacy

Health, well-being and lifestyle: Children will be able to say how rules/guides can help anyone accessing online technology.

Finally

This half-term we will be celebrating World Book Day on Thursday 6th March.

We are looking forward to our school trip is to RAF Museum on Tuesday 8th April.
