

English

Reading: We will be reading everyday in small groups. We learn green words (words that we can de-code) and red words (words we cannot de-code). We will read books linked to the sounds we are learning in our phonics sessions.

Writing: In Drawing Club we will be focussing on stories by Julia Donaldson. We will be labelling our pictures with initial sounds and having a go at writing cvc words and captions.

Our School Rule -

Respect yourself, others and the environment.

Reception Curriculum

Overview Autumn 2

This half term we will be learning about...

PE

This half term we will be getting changed for PE so please ensure your child has their kit in school. We will also be focussing on throwing and catching skills and moving in different ways.

RE

We will start the half term by learning about Diwali and will share the story of Rama and Sita and make diya lamps out of clay.

Music

This half term we will learn more nursery rhymes and action songs and perform them in small groups. We will also learn songs as part of our Nativity performance and perform them in front of an audience.

Maths

This half term we will be counting objects and matching them to numerals. We will learn about 2D shapes and make shape pictures. We will compare numbers and find 1 more than and 1 less than using number rhymes. We will explore the composition of numbers using numicon and stampoline patterns. We will also copy, create and continue repeating patterns.

PSHE

In our PSHE circle times we will be exploring 'Celebrating Difference'. We will talk about what makes us special and what we are good at. We will also talk about our families and our homes.

History/Geography

In history we will learn about Guy Fawkes and Bonfire Night. We will look at some pictures from the past and learn what past and present means.

Computing

We will use the ipads and play maths games and practise our letter formation on letter join. We will also play phonics games on the interactive whiteboard.

Science

We will be exploring the changes that happen in the world around us and learn all about Autumn. We will go on an autumn walk and also learn about animals that hibernate. We will learn about living and non living things and different animal homes.

Art/DI

In art we will create paintings using our fingers, we will make nature painting outdoors and create art work while listening to music indoors. The children will be introduced to the artist Megan Coyle and create collages and finally work in a group to create a fireworks picture. We will also make rangoli patterns when learning about Diwali.

-We will be using our outdoor classroom every day. Please ensure your child comes to school with a warm coat, gloves and a hat.

Stories around the tree: 5.00-5.45pm

Nativity: Thursday 12th December 9.15am
