

English

Reading: We will be reading everyday in small groups. We learn green words (words that we can de-code) and red words (words we cannot de-code). We will read books linked to the sounds we are learning in our phonics sessions.

Writing: In Drawing Club we will read Stickman and The 3 Little Pigs. We will make story maps in our T4-W unit and continue to practise letter formation, label pictures and write simple captions.

Our School Rule -

Respect yourself, others and the environment.

Reception Curriculum

Overview Spring 1

This half term we will be learning about...

PE

This half term we will be getting changed for PE so please ensure your child has their kit in school. We will also be focussing on dance. We will be learning different ways to move to music and counting beats of 8.

RE

We will finish the half term by learning all about The Lunar New Year. We will learn why the years are named after animals and explore and compare different traditions.

Maths

This half term we will decompose shapes and look at how to make bigger shapes out of smaller shapes. We will learn all about numerals 6 and 7 by looking at the composition of these numbers, exploring 1 more and 1 less and comparing amounts. We will explore number bonds to 5 using the part part whole method.

PSHE

In our PSHE circle times we will be exploring "Dreams and Goals". We will look at challenges, the importance of perseverance and skills we need for the future. We will also explore skin colour and what makes us unique.

Music

This half term we will be listening to different types of music, learning a variety of songs and we will begin to play instruments rhythmically to music.

History/Geography

In history we will look at photos of ourselves as babies and how we have changed. We will also look at objects from the past and compare to objects in the present.

Computing

We will use the ipads and play maths games and practise our letter formation on letter join. We will also play phonics games on the interactive whiteboard.

Science

We will be exploring the changes that happen in the world around us and learn all about Winter. We will draw Winter trees and explore melting and freezing.

Art/DT

In art we will explore loose parts artwork, we will also explore making collages using different media. We will listen to music and draw lines to represent how the music makes us feel and paint in puddles outside. In DT we will explore different ways to join and will plan and design models before making vehicles using boxes and tubes.

-We will be using our outdoor classroom every day. Please ensure your child comes to school with a warm coat, gloves and a hat.

Phase 3 Phonics workshop: Thursday 5th February 2.00-3.00pm

PE is on Fridays.
