

English

Reading: We will be reading everyday in small groups. We will continue to learn green and red words. We will learn the sounds: or, ur, ow, oi and ear.

Writing: In Drawing Club we will read Dear Zoo and then learn about people who help us. We are focussing on writing sentences this half term, using our phonics and practising our letter formation ready for Year One.

Our School Rule -

Respect yourself, others and the environment.

Reception Curriculum

Overview Summer 1

This half term we will be learning about...

PE

This half term we will be practising our ball skills. We will practise throwing and catching balls and playing aiming games.

Please ensure your child has a PE kit in school.

RE

We will re-visit our learning about all the special festivals and celebrations we have learnt so far this year. We will be looking at similarities and differences between them.

Music

This half term we will listen to and appraise different styles of music. We will perform as a group and continue to sing in tune with others.

Maths

This half term we will explore number bonds to 10 using numicon. We will re-visit doubling and odds and evens. We will then move on to teen numbers and explore the counting pattern beyond 20. We will also focus on addition and subtraction and write number sentences.

PSHE

In our PSHE circle times we will be exploring 'Relationships'. We will talk about what a friend looks like, how to make friends, and the difference between having a falling out with a friend and bullying.

History/Geography

In geography we will explore the world around us and look at the weather, we will make nature catchers on a walk around school and we will explore and compare the different seasons. We will also explore nature using our different senses and create observational paintings of signs of Summer.

Computing

We will use the iPads and play maths games and practise our letter formation on letter join. We will also play phonics games on the interactive whiteboard.

Science

Our Science units are: Animal adventures and I am a Scientist.

In Animal adventures we will look at animal homes and compare farm and zoo animals.

In I am a Scientist we will carry out a range of investigations such as exploring floating and sinking and look at pushes and pulls.

Art/DI

In art we will learn all about sculptures. We will experiment with clay and playdough and create natural 3D landscape pictures using objects that we find outside. We will then create an animal sculpture and paint them.

-We will be using our outdoor classroom every day. Please ensure your child comes to school with a coat every day. They may also need a hat and sun cream.

-Please ensure your child has a water bottle in school every day with water only. No juice allowed.

PE is EVERY FRIDAY.
